Follow the Lead: CLT parking customer service representatives are stationed in lots and decks to assist you during peak times and provide you with information about where to park and which lots are currently filled to capacity or closed.

Learn Your Parking Options: Know which parking option is best for you. View CLT's "How to Park at the Airport" video at charlotteairport.com before arriving.

CLT Parking Customer Service Representatives

As part of our SmartPark program and efforts to provide you with convenience when parking at CLT, we have stationed several customer service attendants in our parking facilities during peak travel times.

Complimentary assistance with dead batteries and lost vehicles is provided in all parking facilities. The service can be requested by contacting any member of the parking staff, including shuttle drivers. Emergency phones are located throughout the parking decks and may be used to request services.

Accessible parking spaces are available in Hourly, Daily and Long Term parking. Disabled travelers parking in Hourly parking for a 24-hour period will be charged the Daily parking rate. If you have special needs, please contact Airport Parking at 704-359-4038.

CLT asks that you please be patient during extended lines for parking. Pay extra attention to pedestrians and take advantage of our parking options and tips to lessen your frustration or delays.

Thank you for Flying—and Parking Smart!
